

MAINTENANCE  
USPS - MONMOUTH P & DC

May 6, 2011

TO:

Electronic Technician  
Monmouth P & DC

SUBJECT: Employee Notification, Abolishment of Position – Within the Section

This is to advise you that because of the recent operational changes at Monmouth P & DC, your position of Electronic Technician, job slot # 95393254 is no longer needed in the capacity in which you were assigned. Your bid assignment will be abolished effective June 6, 2011.

As an employee within the section as defined in Item 18 of the Local Memorandum of Understanding, you will remain in the section as an unassigned regular full-time employee as of the date your bid assignment is abolished.

As an unassigned regular full-time employee, it may be necessary to assign you a regular work schedule changing your hours and off days. If a change is necessary, you will be notified by your immediate supervisor as soon as possible, prior to the effective date your position is abolished.

You will remain an unassigned regular full-time employee until such time as Maintenance bidding can be accomplished. As an unassigned regular full-time employee, you are encouraged to bid on posted duty assignments in Maintenance. If you do not bid, or are an unsuccessful bidder, you will be assigned to any residual Electronic Technician assignment.

I regret any inconvenience this reassignment may cause you. If you have any questions, please contact me.
