Subj: Step one grievance settlement for not properly staffing the building with
custodian's as per MS-47
Ref: JC-06-626

On 12/14/06 we mutually agreed on the following:

Management will staff the building with the proper amount of custodians needed to
complete all routes, and to keep the building clean and safe as per the MS-47.

This agreement is binding, not precedent setting and will not be used in any future cases
outside the Red Bank Local.
