**Step-2 Settlement  
09010220 RG08-700  
Class Action**

The Union alleges a violation of Article 14 & 19 Safety  
As a result of our discussion regarding the above case, the grievance is settled  
as follows:

Mgt states ~~work~~ Safety is currently in the process of training ample employees on all tours for training in first aid, CPR and AED; training should be completed by the beginning of December 2008 and the process of installing an AED will begin. This also resolves grievance 09010226 RG08-677

*By virtue of this full and final settlement agreement, this document shall also serve as the union's official notification to management that it is withdrawing this case from arbitration. Additionally, both parties agree that this settlement is non-precedent setting, nor does it change or modify language of the Contract or ELM, and will not be cited by either party in any subsequent grievance, arbitration hearing or any other forum.*
